CPR Training Structure:
- Typically, a discovery trip has taken place first
- Local leaders have invited us and are ready to promote
- Cost of one 4-day training: $20,000-$30,000 USD
- Livestream Training over a projected timeframe
- US trainers with translators often do the first training
- Subsequent trainings in same country will use local facilitators supplemented by US trainers
- Training materials book given to each participant – currently we have English and Swahili materials
- Facilitative approach – engagement with participants, assignments for them to carry out (e.g. strategic plan)
- Participants in groups will create and present a Strategic Plan
- Demonstration of a children's ministry, e.g. Awana or other children's ministry
- Devotions and worship; ZZG personnel preach in local churches
